

Online Holistic Doctor Webinar An Integrative Approach to Cancer Care

**Dr Elizabeth Thompson &
Megan Odell L.Ac. MScOM MBAA**

WEDNESDAY 31 MARCH | 6 - 7 P.M.

This webinar will focus on how an Integrative Medicine Model can support you through the different phases of a cancer diagnosis, concentrating on a range of approaches to support you with side effects of chemotherapy and other cancer treatments (for example anti-oestrogen drugs), as well as managing problem symptoms such as pain, dry mouth, or fatigue. We hope you can join us!
